

Fellow liberty lovers,

Welcome to the monthly newsletter – September edition.

Primary elections are wrapped up or are wrapping up all over the country. There are many examples of apathy occurring everywhere. For the most part the best example is there were many incumbents running unopposed. I have mentioned it extensively on the podcast. I can point out the Sevier County primary elections as a great example. That election was held on the 4th of August. A total of 3,785 votes were cast in that election. That is out of a total of 65,800 registered voters listed in Sevier County as of December 2021.

I have uploaded the first hour of the interview I participated in on the Biblical Worldview Talk Show as a special episode on the podcast.

The second hour will be released next week. Again, a humble thank you to Mister Richard May and his team for putting together the audio files and sending them to me. Also, for having me on in the first place. I look forward to the next opportunity to come on his show.

I want to remind you all of the interview that is next up in the schedule. I will be making an appearance on iAMTV alongside the brilliant Doctor Alan Keyes in September. I have shared the information during the podcast and will post more information on the website and social media pages in the next few days.

Next week is the start of my scheduled Meet & Greets. The first one will be between 5:00pm and 7:00pm at the Seymour Branch of the Sevier County Public Library at 137 West Macon Lane, Seymour, TN. I hope that residents of Seymour will take advantage of this opportunity. You should come for the cookies at least. The next three are scheduled to take place at the main branch of the Sevier County Public Library. The King Family Library located 408 High Street, Sevierville. Those events – on September 17th, October 8th and 22nd will take place in the Burchfield Room from 2:00pm to 4:00pm on those Saturdays.

My opponent is funding his campaign with a lot of PAC and corporate money. You can see exactly who is financing his campaign by searching for his name here - [Search Online Campaign Finance Records - Online Campaign Finance \(tn.gov\)](#)

After seeing all the big money donors that are not residents of Sevier County, but primarily businesses and PACs, I pray that you decide to support the candidate that will be a servant leader by donating here – <https://secure.anedot.com/ceb1ec79-d628-4b4f-8825-d295b24d8c5f/donate>

State law requires us to use our best efforts to collect and report the name, address, occupation, and employer of individuals whose contribution exceeds \$100 in an election cycle. Some great patriots have volunteered to assist the campaign in the coming months and others have requested some yard signs so thank you for that. As I previously mentioned it will take some serious donations to pay for the yard signs needed. I begin the door-to-door campaign as soon as some print materials comes in. If you have any questions or are interested in volunteering send an email to – Larry-For-TN12@protonmail.com

Yours in liberty,
Larry
